I AM A CUSTOMER.

How can a rate increase like this be justified. I for one earn about a 3% increase per year. Not 18% and not 66%!!!! We pay higher rates than charlotte, fortmill, rockhill, and now another increase (3rd in 6 years) by TCWS would not be necessary if regular and routine maintenance and long range capital improvements had been properly handled. The fact that TCWS has done virtually no upgrades until forced to do so, even after approval of rate increases to "cover capital improvements" shows lack of business management, and is NOT justification for an increase for the residents of Tega Cay. I say NO! to another increase!

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
